Get to Know your Agent!

In each newsletter we will highlight one of our staff so you will get to know who we are a little bit better. This month we will highlight Dan Butler, the founder of Butler & Associates.

Dan was born and raised in Wauwatosa, Wisconsin. After graduating from UW-Milwaukee with a degree in Business Administration, Dan worked in sales and sales management. He, his wife Linda, and their son Bill lived in Milwaukee and then Green Bay, before coming to Minnesota in 1985. Downsizing at Sara Lee Intimates ended his successful 20 year sales management career and led to establishing Butler &

Associates Insurance Agency, Inc. in 2002.

Dan has used his experience, knowledge and ability to form relationships in gaining access to a broad choice of quality insurance products and related services. This enables Dan and our other agents to offer customized coverage at competitive pricing. Dan's clients find that they are treated like people, not policies.
